

TEAM MISSION: The Braemar Blasters Swim Team promotes a love of swimming through the advancement of Aquatic Skills combined with the principles of good sportsmanship and teamwork. All Braemar Blasters, regardless of ability level, will be treated fairly. A swimmer's mark of excellence is determined by his/her self-improvement, self-determination and self-accomplishment.

TEAM VISION: The professional coaching staff teaches technical swimming proficiency, proper body conditioning, goal setting, motivation and sportsmanship. Our swimmers develop a positive self-image through commitment and perseverance. The athletes' active participation in practice instills the ability to adhere to rules, respect peers and learn self-discipline. Competitive events allow a swimmer to negotiate success and failure and contribute to the overall spirit of the team, in addition to many other invaluable life lessons. Our swimmers can depend on a family oriented setting that creates an atmosphere of fun, social interaction and fellowship.

Team Motto: "Blaster swimming brings out the best in the Braemar Community"

Team Slogan: "Fear the Blast"

Statement of Braemar Blaster's Values

Physical Fitness

Taking care of ourselves through proper nutrition, exercise and rest.

Individual Excellence

Doing your best by always striving to master skills that contribute to your best personal performance

Teamwork

Working together by being flexible and supportive, to produce a result better than what could be achieved alone.

Competitiveness

Developing and maintaining a high level of discipline, perseverance and determination that results in positive competition.

Sportsmanship

Demonstrating integrity, respect, responsibility and accountability in our behavior towards others and ourselves.

A Great Place to Swim

Creating an environment that observes a positive attitude about ourselves, our teammates and our coaches.
