

The Braemar Blasters Swim Team would like to offer you the opportunity to help sponsor the Blasters for the 2009 summer season!

The Blasters Swim team is located in the community of Braemar in Bristow, though we invite children from all the other communities in the region to swim with us. We have over two hundred swimmers this year ranging in age from 5-18 years old. We are a non-profit organization, run by parent volunteers, with a mission to provide a healthy, fun summer for our swimmers. Your generous contribution will help to promote fitness, teamwork, sportsmanship, and community building.

**2007/2008 Prince William Swim League Division Champs!**

We are seeking local community sponsors so that we can better provide for our young swimmers by paying coach salaries, funding social events, awarding trophies and ribbons, and purchasing team equipment. All donations go towards things that directly help the children on the team.

Sponsorship is a great way to give back to the community and advertise for your business. We will list your company logo and contact information at [www.braemarblasters.com](http://www.braemarblasters.com) , and we will add your logo to our Braemar Blasters heat sheets which are distributed to hundreds of people at our home swim meets and divisionals.
